by Leyla Mikhaylovna KHETAGUROVA and Others
against Georgia

The European Court of Human Rights (Fifth Section), sitting on 14 December 2010 as a Chamber composed of:

Peer Lorenzen, *President*,

Karel Jungwiert,

Rait Maruste,

Mark Villiger,

Isabelle Berro-Lefèvre,

Nona Tsotsoria,

Zdravka Kalaydjieva, *judges*,

and Claudia Westerdiek, *Section Registrar*,

Having regard to the applications listed in the Appendix,

Having deliberated, decides as follows:

PROCEDURE

1. The applications

The applicants, whose names appear in the Appendix, were represented before the Court respectively by Ms Z. Milyayeva, Mr V. Saylaonov and Mr V. Baykulov, lawyers practising in Vladikavkaz, Russian Federation.

The applicants are inhabitants of South Ossetia¹, servicemen of the Russian Army assigned to the peace keeping battalion which was deployed in Tskhinvali at the relevant time or next of kin of such persons.

The applications concerned hostilities on the territory of South Ossetia in which the armed forces of Georgia and Russia as well as members of South-Ossetia militia had been involved in August 2008, and also several incidents which had immediately preceded those hostilities. Depending on the individual circumstances of their cases, the applicants invoked several provisions of the Convention and its Protocols, in particular Articles 2, 3, 8, 13 and 14 of the Convention and Article 1 of Protocol No. 1.

2. Procedure before the Court

The present applications belong to a group of more than 3,300 individual applications lodged against Georgia which concern the hostilities in South Ossetia of August 2008. The Court started dealing with several other applications belonging to the aforesaid group of cases by communicating them to the respondent Government. In five of the communicated applications the applicants were represented by the same lawyers as the applicants in the present cases, namely Ms Z. Milyayeva, Mr V. Saylaonov and Mr V. Baykulov.

On 23 March 2010 the Court decided to strike those five applications out of its list of cases as the applicants' representatives had failed to submit observations within the time-limit set for that purpose and had not reacted to subsequent letters of inquiry from the Court's Registry (for further details see *Abayeva and Others v. Georgia* (dec.), applications nos. 52196/08, 52200/08, 49671/08, 46657/08 and 53894/08, 23 March 2010).

In separate letters, sent by registered post and dated 1 April 2010, the three lawyers concerned were notified of the Court's above decision of 23 March 2010. They were further asked to inform the Court whether they continued representing the other applicants on behalf of whom they had introduced applications relating to the hostilities in South Ossetia of August 2008.

In the absence of any reply, the same request was re-sent to those lawyers by registered post on 11 June 2010. The applicants' representatives were asked to submit the requested information by 2 July 2010. Their attention was drawn to Article 37 § 1 (a) of the Convention, which provides that the Court may strike a case out of its list of cases where the circumstances lead to the conclusion that the applicant does not intend to pursue the application. The letters were delivered to the address of the applicants' representatives on 3 July 2010 (Mr V. Baykulov) and 5 July 2010 (Ms Z. Milyayeva and Mr V. Saylaonov).

No response to the above letters has been received from the applicants' representatives.

THE LAW

Given the similarity of the factual and legal position in the applications, the Court deems it appropriate to join them.

The Court considers that, in the circumstances described above, the applicants in the present cases may be regarded as no longer wishing to pursue their applications, within the meaning of Article 37 § 1 (a) of the Convention. Furthermore, in accordance with Article 37 § 1 *in fine*, the Court finds no special circumstances regarding respect for human rights as defined in the Convention and its Protocols which require the continued examination of the cases.

In view of the above, it is appropriate to strike the cases out of the list.

For these reasons, the Court unanimously

Decides to join the applications;

Decides to strike the applications out of its list of cases.
