REPRESENTADA: FRANCIANE SONNI MARTINS MICHELETTO, PARTIDO LIBERAL - PARANA - PR - ESTADUAL

DECISÃO LIMINAR

1. Trata-se de **representação eleitoral, com pedido liminar** apresentada pela **COMISSÃO PROVISÓRIA DA FEDERAÇÃO “BRASIL DA ESPERANÇA” NO ESTADO DO PARANÁ** em face de **PAULO MARTINS, FRANCIANE MICHELETO, JUAREZ BERTÉ e COMISSÃO PROVISÓRIA DO PARTIDO LIBERAL**, em virtude de suposta irregularidade em propaganda eleitoral, tanto nas redes sociais, quanto em impressos, que supostamente não observam tamanho mínimo legal, nos termos do artigo 36, §4º, da Lei nº 9.504/97. Em caráter liminar requer: **1)** seja determinada a busca, constatação e apreensão de todo o material impresso que contenha a logotipo dos representados indicada, nos termos do art. 297 do CPC, nos seguintes endereços: a) Rua Francisco de Paula Guimarães, nº 07, Bairro Ahú, Curitiba/PR, CEP 80.540-040; b) Rua Alberto Panek, 336, Sobrado 01, Orleans, Curitiba/PR. CEP: 82310-347; c) Rua Paranaíba, 860, Pacaembu, 74934, Cascavel/PR, CEP 85816590, além de determinar aos representados que depositem à Justiça Eleitoral todo o material irregular produzido, mas porventura não encontrado, garantindo sua não

distribuição; **2)** seja determinado aos representados a remoção imediata da veiculação de todo e qualquer material de propaganda eleitoral que utilize a logomarca aqui apontada de suas páginas oficiais na internet, especificamente nos endereços apontados, sob pena de multa diária e por descumprimento; **3)** a concessão de tutela inibitória, proibindo a produção e distribuição de novos materiais contendo a logomarca em afronta ao art. 36, §4º, da Lei n. 9.504/97, sob pena de multa por descumprimento em valor não inferior ao mínimo estabelecido pelo art. 36, §3º, daquele diploma.

O material impresso foi arquivado em Secretaria, conforme certidão de id. 43072618.

Intimado para emendar a inicial, para indicar URL das postagens impugnadas bem como comprovar as condições dos endereços indicados para busca e apreensão (id. 43073510), o representante relacionou as URLs e pugnou pela suspensão de todo o site (cuja URL também foi informada), até que a propaganda eleitoral lá presente seja regularizada. Ainda, quanto aos endereços indicados para a busca e apreensão apresentou explicações, conforme id. 43078126. Requereu, por fim, que seja determinada a correção das mídias relativas à propaganda eleitoral gratuita que contenha logo irregular, sob pena de multa, oficiando-se às emissoras para que suspendam as veiculações dos próximos programas eleitorais gratuitos previstos no plano de mídia que contenham o vídeo indicado.

2. Pois bem, sabido que a lei nº 9.504/97 estabelece que o nome dos candidatos suplentes, além de claro e legível, deve constar em tamanho não inferior a 30% do nome do titular (art. 36, §4º).

Quanto ao modo de aferição, o parágrafo único, do artigo 12, da Resolução nº 23.610 do TSE esclarece que *“A aferição do disposto no caput deste artigo será feita de acordo com a proporção entre os tamanhos das fontes (altura e comprimento das letras) empregadas na grafia dos nomes dos candidatos, sem prejuízo da aferição da legibilidade e da clareza.”*

Ainda, o Plenário do TSE, em sessão no dia 09.09.14, apreciou os Embargos de Declaração opostos na Representação 1.073-13, nos quais estabeleceu-se que *“Para aferição do cumprimento da regra do art. 36, § 40, da Lei 9.504/1997 [na propaganda dos candidatos a cargo majoritário, deverão constar, também, o nome dos candidatos a vice ou a suplentes de Senador, de modo claro e legível, em tamanho não inferior a 10% (dez por cento) do nome do titular], **utiliza-se como critério principal, sem prejuízo da legibilidade e da clareza, a proporção entre os tamanhos das fontes (altura e comprimento das letras) empregadas na grafia dos nomes cotejados e não a proporção entre a área quadrada e/ou o número de pixels**”* (grifei).

Portanto, tem-se como critério principal, a proporção entre os tamanhos das fontes (altura e largura das letras), desconsiderando-se, por óbvio, o percentual indicado no julgado (10%), o qual não mais vigora, tendo sido substituído pelo percentual de 30%.

3. Feitas tais considerações, observa-se que nas redes sociais do Twitter, Instagram, Gettr, indicados na inicial, o candidato sequer menciona o nome dos suplentes, em absoluta inobservância à legislação eleitoral.

Na página do TikTok, <https://www.tiktok.com/@pauloeduardomartins>, não há a logomarca na página inicial. Assim, considerando-se que não foram indicadas, no pedido, as URLs referentes a conteúdos específicos que se pretende impugnar, indefiro o pedido neste ponto.

Quanto às demais redes sociais informadas, é evidente a desconformidade entre o tamanho da fonte do nome do candidato a senador relativamente a dos suplentes.

A logomarca do candidato Paulo Martins apresenta a palavra PAULO MARTINS em evidência e tamanho muito superior a 70% do nome dos suplentes, sendo imperioso a remoção.

Assim, considerando-se que as logomarcas apresentadas nas redes sociais das URLs apresentadas na exordial, com exceção do TikTok, estão em desconformidade com o artigo 36, §4º, é o deferimento da remoção de rigor.

Quanto ao material impresso arquivado em Secretaria, conforme id. 43072618 verifica-se:

a. Perfurade:

	Altura (cm)	Largura (cm)
P	3,8	3
F	0,7	0,4
J	0,7	0,4

Aplicando-se a regra de 3, tem-se que a altura da letra “F” e “J” dos candidatos suplentes possui apenas 18% da altura da letra “P” do candidato a senador. Quanto à largura, constata-se que possui 13% daquela referente ao candidato principal, sendo certo o não cumprimento do artigo 36, §4º, da Lei nº 9.504/97.

b. Adesivo retangular:

	Altura (cm)	Largura (cm)
P	2,5	2
F	0,3	0,3
J	0,3	0,3

Neste caso, a regra de 3 demonstra que a altura da letra “F” e “J” dos candidatos suplentes tem também apenas 12% da altura da letra “P” do candidato a senador. Quanto à largura, constata-se que as letras “F” e “J” possuem 15%, daquela referente ao candidato principal, donde resta evidenciado a não observância à legislação eleitoral.

c. Panfleto:

	Altura (cm)	Largura (cm)
P	1,4	1,1
F	0,2	0,2
J	0,2	0,2

Novamente, aplicando-se a regra de 3, observa-se que a altura da letra “F” e “J” dos candidatos suplentes representa 14% da altura da letra “P” do candidato a senador. Quanto à largura, constata-se que as letras “F” e “J” possuem 18% daquela referente ao candidato principal, de forma que a não conformidade à lei restou comprovada.

d. Santinho:

	Altura (cm)	Largura (cm)
P	0,5	0,3
F	0,1	0,1
J	0,1	0,1

Aplicando-se a regra de 3, observa-se que a altura da letra “F” e “J” dos candidatos suplentes representa 20% da altura da letra “P” do candidato a senador. Quanto à largura, constata-se que as letras “F” e “J” possuem 33%, daquela referente ao candidato principal.

Assim, verifica-se, em relação ao material juntado aos autos e arquivado em Secretaria, que não houve cumprimento à determinação legal, sendo a busca e apreensão desses artefatos específicos medida que se impõe.

Registro, entretanto, que o material passível de apreensão é tão somente aquele indicado na presente decisão, arquivado em Secretaria e comprovadamente em desconformidade com a legislação.

Quanto aos locais indicados para a realização de busca e apreensão do material impresso, tenho que:

- a. o endereço do Comitê Central de Campanha do candidato, localizado na Rua Francisco de Paula Guimarães, nº 07, Bairro Ahú, Curitiba/PR, CEP 80.540-040, restou comprovado conforme Registro de Candidatura, RCand 0600965-07.2022.6.16.0000, id. 43044291.
- b. o endereço da sede do órgão provisório do Partido Liberal do Paraná, Rua Francisco Scremin 287 2º andar, Ahú, Curitiba/PR, CEP 80540320, foi devidamente justificado, pela juntada de certidão do SGIP (id. 43071497).

Entretanto, a realização da diligência na sede do partido, não comporta deferimento, dada a ausência de indícios a respeito da existência de material do candidato no local.

- c. O endereço da sede do comitê central de campanha, indicada pelo partido, Rua Paranaíba, 860, Pacaembu, 74934, Cascavel/PR, CEP 85816590, também foi comprovado pela juntada dos documentos do DRAP – Demonstrativo de Regularidade de Atos Partidários (id. 43078126, p. 6). Entretanto, da mesma forma, a diligência não comporta deferimento, dada a ausência de indícios a respeito da existência de material do candidato no local.

No que tange ao pedido de depósito na Justiça Eleitoral **todo** o material irregular produzido, mas porventura não encontrado, trata-se de pedido genérico, em ofensa ao artigo 322, do CPC, o que não se admite.

Com relação ao conteúdo dos programas veiculados no horário da propaganda eleitoral gratuita, nos quais são utilizados a mesma logo dos demais itens de campanha, apresentam, tal qual, irregularidade formal.

Entretanto, a ordem de imediata suspensão da veiculação da propaganda não se mostra passível de acolhimento, tanto pelo fato de que não se sabe o conteúdo que será veiculado, não cabendo às emissoras a realização do controle prévio, quanto pela possibilidade de regularização do material.

Por fim, não comporta acolhida o pedido de tutela inibitória, visto que o descumprimento da legislação eleitoral enseja providências tais como as buscadas na presente demanda, sendo certo que para o caso de não cumprimento das determinações constantes da presente decisão, haverá incidência de multa.

4. Isso posto, ante o descumprido formal do contido no artigo 36, §4º da lei nº 9.504/97, **defiro em parte a liminar**, para determinar:

a. A realização de busca e apreensão de material impresso, **correspondente aos modelos anexados aos autos, arquivados em Secretaria (id. 43072133)**, no seguinte endereço: Rua Francisco de Paula Guimarães, nº 07, Bairro Ahú, Curitiba/PR, CEP 80.540-040. A diligência deverá ser cumprida durante o dia, nos termos do artigo 5º, XI da Constituição Federal. Expeça-se o competente mandado.

b. A remoção das postagens realizadas em desconformidade com o artigo 36, §4º, da Lei nº 9.504/97, **no prazo de 48 horas**, constantes das seguintes URLs, sob pena de multa de R\$ 5.000,00 (cinco mil reais):

b1. Conteúdos da página do Twitter do candidato:
